### 7. BLOOD DONORS NEEDED

The Community Blood Center (CBC) is excited about continuing our partnership with Miami University student organizations to co-sponsor, recruit, and donate at on-campus blood drives during the 2020 fall semester. Blood donation continues to be an essential activity and we need your help now more than ever. ***Over 10,000 units of blood have been lost due to all the blood drive cancellations since March.*** We are depending on the students at Miami University to help our community. Blood drives are a great avenue for students to earn community service hours, partner with a non-profit, and help save the lives of people involved in traumas, surgeries, and cancer battles. We understand that things will look a lot different this fall and we continue to need blood donors at Miami University.

Want to be a donor? Make an appointment [here](#). Belong to another student org and have a question about sponsorship? Contact Sandy at [sbaur@givingblood.org](mailto:sbaur@givingblood.org).

### 8. THE STUDENT LOUNGE, RECTORY BASEMENT, AND PARISH CENTER

The student lounge, rectory basement, and parish center at St. Mary's are closed due to the Miami in-person restrictions this fall and we have opted for a variety of virtual activities and meetings for our student programs.

## 9. VIRTUAL OFFICE HOURS
