

**RCIA
Reflection on Holy Week
Mystagogy**

Session 24

“The Third step of Christian initiation, the celebration of the sacraments, is followed by the final period, the period of postbaptismal catechesis or Mystagogy. This is a time for the community and the neophytes together to grow in deepening their grasp of the paschal mystery and in making it part of their lives through meditation on the Gospel, sharing in the Eucharist, and doing works of charity.”

Mystagogia

Mystagogia is a Greek word for understanding of the mysteries, which are primarily the sacraments. The formal period of the mystagogia begins at the Easter Vigil and ends with Pentecost. However mystagogia is also understood as ongoing faith formation. It is the continuous process whereby one deepens one's faith through Biblical studies, deeper catechism class or other forms of Adult education. Every baptized need ongoing faith formation as it reflects what someone said "we learn from the crib to the grave. "

It is a time for:

- living a sacramental life
